Re: Request for Administrative Hearing, RCRA Docket X83-04-02-3008

Dear Mr. Pickett:

On April 27, 1983, the Environmental Protection Agency, Region Ten issued you a Complaint and Compliance Order pursuant to Section 3008(a) of the Resource Conservation and Recovery Act (42 U.S.C. 6928(a), "RCRA", proposing to assess a civil penalty of \$75,925.00 against you. A copy of the Complaint and Compliance Order is enclosed.

On June 27, 1983, you provided us with a response to the Complaint which stated, inter alia, that you are not responsible for actions of ARRCOM/Drexler Enterprises, Inc., but that you were an employee.

In order to avoid your being found in default and having the proposed civil penalty assessed and the compliance order become final without further proceedings, EPA construes your communication as a request for administrative hearing.

By copy of this letter, I am requesting the EPA Region Ten Hearings Clerk to arrange for the appointment of an administrative law judge to preside over any hearings. The administrative law judge will correspond with you accordingly.

Please be advised that your legal rights may be substantially affected by your failure to respond to this and/or any future communication from EPA. If you have questions about the technical aspects of compliance, please contact Mr. Mike Brown at (206) 442-2852. Questions about the legal aspects of these proceedings should be addressed to the undersigned at (206) 442-4232.

Sincerely,

Barbara J. Lither
